The minor in Psychology consists of five (5) courses: Psyc 001 Introduction to Psychology is required, plus any four (4) additional psychology courses. Please note that a separate form must accompany *EACH* minor declaration.

A minor consists of at least 15 credits. A 2.0 minimum grade-point average is required for courses in the minor. No more than one course may be double-counted toward a major and a minor, and no more than one course may overlap between two minors.

NOTE: PSYC 161 Supervised Research must be taken as 3 credits all at one time in order for it to count toward one of the required minor courses.
